

Maple 6-Compartment Unit on wheels / on feet

6512483K

DESCRIPTION

The line of furniture for dividing space helps in a practical way to separate functional room parts, thus making large rooms more cozy. Shelves with numerous compartments guarantee a lot of storage space. Each rack comes with a set of wheels and feet. Decide which solution you prefer! This cabinet system is an extremely practical solution. The furniture is made of 18 mm thick laminated chipboard (maple or white), the edge of the board is covered with 2-mm ABS. Dim.: H. 76 x W. 97,5 x D. 40 cm
