

DESCRIPTION

The set includes two cabinets with adjustable shelves and three closed cabinets with doors. Applications and fronts are made of varnished MDF, bodies are made of 18 cm thick maple chipboard. Rounded edges increase the sense of security of playing children. The door opening system eliminates the risk of fingers trapping when closing or opening cabinets. All cabinets have additional openings, so you can adjust the height of each shelf yourself. Dim.: H. 140 x W. 358 x D. 43 cm
