

DESCRIPTION

Colorful doors matching the cabinets of the Tenements furniture series. The fronts have millings reflecting the nature of old buildings, additionally coated with a nice color, which makes classic pieces of furniture unique. The windows of "tenement houses" are additionally equipped with white frames, which give a subtle finish to the whole. The universal door, which can be mounted on the left or right side of the body, is made of a varnished MDF board. Dim.: H. 125 x W. 48 x D. 1,6 cm
