

Premium Unit with containers

6521113EX

DESCRIPTION

The set of furniture to built an interesting and creative construction. It is also very useful in separating the space not only in big rooms but also in those smaller ones. Nice, maple body perfectly matches the colourful elements. The height of cabinets is fitted to kids' height so they can easily use every single shelf. The set is made of 18 mm thick laminated chipboard. Edges secured with 2 mm ABS. The cabinet contains 2 spacious containers that can be easily pulled out thanks to the mounted wheels. Dim.: H. 65 x W. 120 x D. 42 cm
