

Chameleon High Bookshelf

6512781K

DESCRIPTION

Chameleon cabinets are universal pieces of furniture that, depending on the needs, can be used as an open bookcase, chest of drawers, closed cupboards or wardrobes. The modules are available in 4 heights and different widths, and you can add shelves, drawers or doors to them, and you can buy a mattress for a low cabinet. The furniture is made entirely of 18 mm thick chipboard in a maple color, drawers and doors are available in 4 colors. The back of the cabinet is made of white HDF board, the openings in the cabinet allow for the installation of guides for drawers and doors with adjustment to their different heights, fixed sliders for leveling the cabinets on uneven ground. Dim.: H. 124 x W. 41 x D. 40 cm
