

DESCRIPTION

Element of the Sensory square set - 4641508. All 13 elements are different in texture, filling and foam hardness. The complete set creates a square, where individual bridges are connected by octagonal platforms in vivid colours. All pieces can be combined with each other in any way. Elements are covered with artificial leather which is very easy to clean, while the non-slip surface makes the structure stable. Each article is available separately. Dim.: L. 95 x W. 15 x H. 6 cm
