

Feria high door, yellow

6513158MEX

DESCRIPTION

Attractive and functional closure of the highest rack with shelves of the Feria system (4470463EX, 4470463BEX). Colorful top, nice and precise finish on each side, nice-to-touch surface, functional opening instead of a handle - all these elements contribute to high functionality and safety of use. Made of durable chipboard, 18 mm. The door is sold as a set. Dim. door set: height 192 x width 102 cm
