

DESCRIPTION

Attractive and functional closure of the highest rack with shelves of the Feria system (4470463EX, 4470463BEX). Colorful top, nice and precise finish on each side, nice-to-touch surface, functional opening instead of a handle - all these elements contribute to high functionality and safety of use. Made of durable chipboard, 18 mm. The door is sold as a set. Dim. door set: height 192 x width 102 cm
