

DESCRIPTION

High cabinet made of 18 mm chipboard, with 3 drawers, a shelf and a compartment with a locked door. The locked compartment allows you to store items that should not be accessible to the general public, e.g. confidential files, expensive teaching aids or school documentation, while the drawers allow you to sort small things. Universal, maple body and white fronts. The drawers have solid rails with a system that prevents them from falling out. The cabinet has hinges with a soft close. Furniture can be easily combined with other furniture from the NV series. Dimensions: H 182 x W 80 x D 42 cm
