

### DESCRIPTION

TIR set in a new version! New pastel colors!  
**CHILDREN'S FURNITURE SET TIR - FUNCTIONAL PLACE FOR STORAGE AND PLAY** Combination of the form of a traditional bookcase with a children's, colorful design that will delight the youngest. Solid, capacious drawers and deep shelves will accommodate many toys, games or books. An integral part of the set is a lockable shelf for storing educational aids or art supplies. The stable cabin has a soft seat and a swivel steering wheel. The whole creates a visually attractive and structurally durable furniture wall.

Advantages of the TIR set: - innovative design combining functionality and aesthetics, - large storage area, - movable steering wheel made of plywood, - pull-out drawers on rollers, - soft, removable seat.

Technical informations: - both the cabin and the shelf are made of 18 mm laminated chipboard with a hygienic certi...
